# Parties & Events

We're the home of rooftop fun in the sun. If you're looking for DJs, drinks, dancing and pure summer vibes, you're in the right place.

Pergola Brixton moves with the seasons, opening the roof to let the sun and air in during balmy summer months and closing it tight when the cold draws in, ensuring our guests stay dry and snug.

Our space is flexible, giving you total control of the for your event whether it's cocktails and dancing with friends, a product launch or the whole company party.

We also have a stunning original brickwork archway with its own bar, available for bookings as a semi-private space or as part of exclusive venue hire.
