PERGOLA BRIXTON

We're the home of rooftop fun. If you're after DJs, drinks, dancing, and pure vibes, Pergola Brixton is the place to be. Our space moves with the seasons—opening the roof to welcome the sun and fresh air during warm summer days, and closing it tight when the weather turns cold to keep guests cozy and warm and keep the party going.

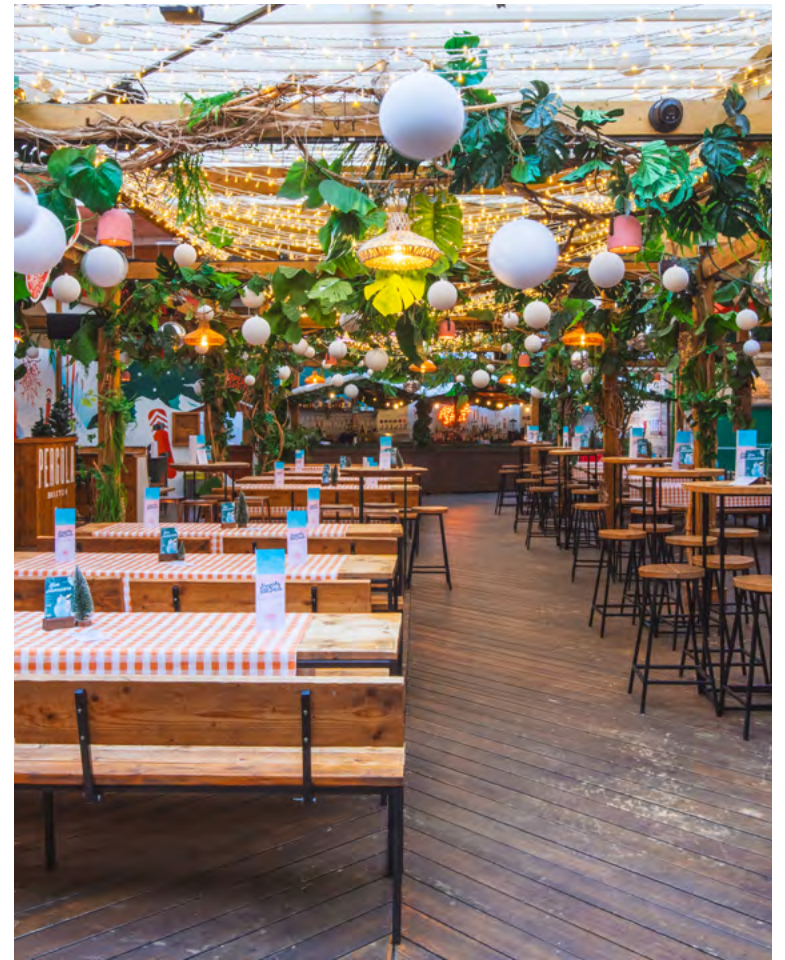

Pergola Brixton offers the perfect setting for unforgettable rooftop fun all year round.

Parties **& EVENTS**

Our space is flexible, giving you total control of your event whether it's cocktails and dancing with friends, a product launch or the whole company party. Just let us know what you need and we'll take care of the details. We also have a stunning original brickwork arch with its own bar, available for bookings as a semi-private space or as part of an exclusive venue hire.
